

Allegheny Valley School District

How do I register my child for Kindergarten at Acmetonia Elementary School for the 2021-2022 school year?

AVSD Kindergarten Registration will take place during the whole month of March 2021.

****General Information****

In order to register for Kindergarten, a student must be 5 years old by September 1, 2021.

If your student is already attending the AVSD Pre-K program at Acmetonia, you **will not** need to re-register for Kindergarten in the Allegheny Valley School District.

****Step 1: REGISTER ONLINE****

To register a child for Kindergarten, parents must complete and submit the online registration form found on the Allegheny Valley School District website: www.avsdweb.org. Click on the Register Here button.

Registration information cannot be submitted from a mobile device. Information must be submitted from a computer or laptop.

****Step 2: EMAIL DOCUMENTS TO AVSD REGISTRATION at registration@avsd.k12.pa.us****

The following documents must be submitted to complete Kindergarten registration:

- Student's birth certificate
- Parent's photo ID with the current address
- 2 additional proofs of residency showing current address (utility bill, vehicle registration card, deed or lease, paystub)
- Immunization records including lead level testing
- Any copies of Custody Arrangements indicating shared custody or a notarized statement from the shared custodial parent verifying knowledge of the child's enrollment in the Allegheny Valley School District if applicable.

In addition to the above documentation, you will need to provide the following completed forms linked on the AVSD website under the Register Here button:

- AVSD Transportation Form
- Parent & Student Network/Internet Access & Usage Form
- Student Residency Questionnaire
- English as a Second Language Questionnaire

Complete each form and submit to registration@avsd.k12.pa.us.

If you prefer to provide the documents in person or require paper copies of all registration forms, please contact Judy Pribulsky / AVSD Centralized Information at **724-274-6500 ext. 6121**.

****Step 3: AVSD CONFIRMATION****

Please watch for email confirmation from AVSD Centralized Information that all required documentation has been received and Kindergarten Registration is completed for your student.
