

The **Allegheny Valley School District** is launching "[GoGuardian Parent](#)" - a mobile app designed to provide parents/guardians insight and control over their student's online activity when on school-managed devices. First, the GoGuardian Parent app provides an overview of your child's online activity on school-managed devices and accounts - this overview includes the apps, extensions, documents, and websites your student visited. Second, GoGuardian Parent provides you with an additional set of internet controls that you can set for out-of-school hours. GoGuardian Parent was created to help provide students additional educational support and is a *companion* to the classroom engagement and internet filtering tools that our school uses.

What is included in this app:

- Top 5 overview of your student's online activity
- Any teacher interventions related to your student's online activity
- 30-day overview of your student's online activity
- Ability to block websites on school-issued devices during out-of-school hours
- Ability to pause internet access on school-issued devices during out-of-school hours, either on-demand or at a scheduled time

To access the app, please follow the below instructions:

(Prerequisite: You must be the primary or secondary contact for an AVSD student and your personal email address must be correct in our system)

1. Download the app
 - >[Download via Apple Store](#)
 - >[Download via Google Play Store](#)
2. After the app is installed, open it up and **enter your personal email address registered with the school**. Note: If you forgot your registered email address, please reach out to your school secretary.
3. Login/Check Email: Check your email on your phone for a link to log in to the app. Tap the "Verify your email", and it will take you straight to the app. Note: If you don't have access to your email through the device you used to log in, tap on "Login with verification code", and copy and paste the verification code from the email into the app.

If you have any questions or encounter issues, **1) please reach out to a secretary to confirm your personal email address is correct in our system** or **2) submit a [support ticket](#)** with the AVSD Technology Department
