## NUTRITION TO GO

**OK, parents. Here's your homework for the summer: set a good example for your kids during their time off from school by modeling good nutrition behavior for them. Buy and eat more fresh fruits and veggies, and cut back on your own snacking on foods that are high in fat, sodium, and sugar.**

**A QUICK BITE FOR PARENTS**

**Every complete meal we serve comes with your choice of milk!**

**No-cost meals for kids this summer**
