Mandatory Collection of Student Issued Devices

May 18, 2026

Dear Allegheny Valley School District Students and Families:

As we approach the end of the school year, the Technology Department is preparing for the collection of **all** student 1:1 devices. Please be advised that 100% of student devices—including Chromebooks, Chrome Tablets, and assigned chargers—must be returned for inspection and inventory before summer break.

Collection will occur on dates and times dependent on grade level or homeroom assignment. For some groups, collection will begin as early as **May 27**. All collections must be finalized by the end of the school day on **June 04**. **A detailed schedule is included on the next page.**

Exceptions: Students participating in AVSD-approved summer courses/academic activities may retrieve their devices during the first week of summer break, provided the equipment has first been inspected by tech staff. They must still be collected prior to the end-of-day June 4, 2026.

Thank you for your cooperation in ensuring our technology remains in good working order for our students.

My Best,
Matt Maine
Technology Supervisor
