

Allegheny Valley School District COVID-19 Symptom Screening

Have you or your student/staff member been in close contact with a person known to currently have the COVID-19 virus?

Have you or your student/staff member traveled internationally and returned within the last 14 days?

- **YES:** Stay HOME
- **NO:** Send your student/staff TO SCHOOL

Are you or your student/staff member experiencing any of the following symptoms?

GROUP A (1 or more symptoms):

Cough
Shortness of breath
Difficulty breathing
New smell disorder
New taste disorder

GROUP B (2 or more symptoms)

Fever
Chills
Muscle pain
Headache
Sore throat
Diarrhea
Fatigue
Congestion or runny **nose**

- **YES:** Stay HOME if you have:
 - 1 or more symptoms in Group A
 - 2 or more symptoms in Group B
 - Are taking fever-reducing medication
- **NO:** Send your student/staff TO SCHOOL

IN ADDITION:

- Staff and students with fevers or symptoms associated with COVID should seek medical attention for further evaluation and instructions before returning to school.
- Staff and students with fever or symptoms that may be associated with COVID-19 and no known direct exposure to a person with COVID-19 may return to school when they are asymptomatic and have been fever free for at least 24 hours without the use of fever-reducing medicine or have confirmation of an alternative diagnosis from a health care provider that explains the COVID-19-like symptom(s).
